

Advanced Palpatory Anatomy

***One of the Institute's most popular classes.
Sign up early - it always fills!***

Learn to recognize which structural elements are contributing to the misalignments that cause neuro muscular pain and dysfunction.

Learn where to focus your work for the best session results.

Prerequisites:

CMT and 70 - 100 massage hours/clients

This is an advanced postural analysis course using:

- ✓ Palpation
- ✓ Passive range of motion assessment
- ✓ Visual observation to assess muscular patterns and structural misalignments

Save 10% when paid in full four weeks in advance

Larry Munn MDiv, CMT

is a graduate of Alive and Well! with a private practice in San Rafael and Berkeley.

He combines NeuroMuscular Reprogramming® with various soft and deep tissue release protocols to help his clients achieve structural integration and well being.

Larry brings a gentleness, maturity, and dedication to his teaching and clinic supervision that gains him rave reviews from all who work with him.
